## **Get out, stay out and STAY ALIVE**

### **Teach your children 911**

Teach your children to call the emergency phone number: **911**.

**Teach your children that when they see smoke, to stay low and crawl under the smoke to get out.**

Teach your children that:

1. Smoke is dangerous.
2. Smoke rises so cleaner, cooler air is closer to the floor.
3. To crawl on their hands and feet, and crawl low under the smoke, and get to the nearest exit to call for help.
